 - Planning Application Consultation 25/01524/A. Various new signage at Renault garage. The Council has a concern that signs 6&7 may restrict a view of oncoming traffic when existing the petrol station. there has been a number of accidents at this location due to speed of traffic and lack of clear vision of the road. We would need reassurances that all this signage would not make the situation worse. the supplied drawings do not give sufficient information of this issue. Until this has been made clear, Crimplesham PC oppose the application.
 - Planning Application Consultation 25/01525/A. Sign 1: 3x 12m Flag Signs at Holden Renault Downham Road Crimplesham PE33 9DG. Response as above.
